Summary

IT student specializing in backend development and structured problem solving. Skilled in designing robust system logic, optimizing performance, and building scalable server-side applications. Strong analytical mindset with a focus on writing efficient and maintainable code.

Skills

Languages: Java, Python, C/C++, JavaScript, TypeScript, SQL, HTML, CSS

Technologies & Tools: Spring boot, MySQL, MongoDB, ReactJS, Tailwind CSS, Django, Docker, AWS, S3

Work Experience

Incoming Associate Software Engineer – Intern

ServiceNow

 08/2026 – Present (Incoming)  Hyderabad, India

- Selected to develop scalable cloud-based features using Java, OOP, and Agile methodologies
- Will work with CI pipelines, relational databases, and AI-integrated workflows

Projects

- Car-pooling System** — *Java, MySQL, JDBC*
 - Developed a Java-based carpooling platform to connect drivers and passengers dynamically.
 - Implemented ride-matching algorithms using DSA concepts for efficient search and allocation.
 - Used JDBC for database operations (CRUD) and optimized SQL queries for performance.
- Customer Relationship Management (CRM) System** — *Java, Spring Boot, MySQL*
 - Built a CRM application to manage customer data, track interactions, and automate sales pipeline.
 - Designed REST APIs using Spring Boot and integrated MySQL database for persistent storage.
 - Implemented authentication and role-based access control.
- LeetCode Coding Helper Extension** — *JavaScript, HTML, CSS, Google Gemini API*
 - Developed a Chrome extension that enhances LeetCode problem-solving using AI-powered assistance through Google Gemini API.
 - Implemented features for problem explanation, approach guidance, and code review.
 - Designed a dark-themed, responsive UI using modern web standards (Manifest V3).

Education

Btech in Information Technology
Sri Krishna College of Engineering and Technology

 09/2023 – 05/2027  Coimbatore, India

Achievements and Certificates

- Solved **1100+** problems in LeetCode (focused on DSA & problem-solving).
- Certified in Android Development.
- Certified in Machine Learning.
